people of Windsor County, propose of the same.

Justice for the Dead-

timation by that course? He cannot tals and petrified wood.

far as they could, the controversy between different elements of the party. They have tried to give to Stalwart haters of the dead President all possible charity and patience. But forbearance has its limits. It will not day after day, and yet to expect mercy and patience for the living who seek to rise by dishonoring him. If there is to be this fiendish malignity shown toward the late President, and the process being as follows: Real estate, western states, Michigan, Wisconsin, Minnesota, then all New England. He all New England, then Indiana and Ohio, then California, whose Sunday law puts her a long step in the right direction, then the south, for we are learning that some good things come out of Nazareth, assessed against him on the grand list of 1881. Last year Mr. Langdon refused to comply with the law and the listers therefore doubled his list, his assessed valuation after the doubling process being as follows: Real estate, far as they could, the controversy be-

Many years of sharp political campaigning followed, in which he was more than once pursued with intense bitterness. All that it was possible to say with success, to the disparageto say with success, to the disparagement of his military record, while he and others who knew the facts were living, was said long ago, and said in
